

The Wave

Term 4 – Week 7

Principal's Message

Week 7

Week 7 has come and gone already! We are very busy across the school getting things ready for end of year activities including reports, staffing, arranging classes for next year and preparing for end of year excursions!

All of these amazing things are made possible by our super dedicated staff who only want the best for all of our students, just like you.

As always, we are happy to provide support to our families as needed. If you have any questions, please do not hesitate to contact your teacher.

Greg Inglis Goanna Academy Visit – Part 2

Stage 3 were lucky to have another visit from the Goanna Academy this week! This is such a wonderful program supporting young people and better mental health. BPS is very lucky to be part of this.

REACH

Another fabulous program being held at BPS today is the 'Reach' program. 'Reach' connect with young people to create a sense of social belonging, have breakthrough conversations and build emotional resilience/ courage.

Rotary Walk

Some Year 6 students and staff attended the Rotary walk against domestic violence in Ballina today. A combined effort with schools, Police, Rotary and other support systems to help those affected by domestic/family violence. Courage and bravery were in abundance from all. We thank the Rotary Club of Ballina-on-Richmond for including us in this important event.

Sickness

There are a lot of different viruses going around our area at present. If your child is unwell, please keep them home until they are symptom free. This includes cough, cold-flu like symptoms, runny nose etc. If your child presents to school with any form or sign of illness, the parents/carers will be contacted for collection of your child.

It is our priority to keep our staff and other students safe and well.

Kind Regards,
Stacie Luppi
