

The Wave

Term 4 – Week 8

Principal's Message

Presentation Assembly

This year our Celebration Day assembly will be held on Tuesday 13th December from 9:30am - 11:15am. Families are welcome to join us in the hall.

Year 6 Farewell

We are looking forward to celebrating our Year 6 students on Wednesday 14th December at the Ballina Jockey Club. Invitations have been sent home to families.

Monster Raffle

We are incredibly grateful to all of the local Ballina businesses for their generous donations for our end of year raffle.

Our raffle will be drawn next week!

Please return all raffle tickets by Friday this week to be in the running for the amazing prizes!!

Kind Regards,
Stacie Luppi

School Uniforms

Our school uniforms are now available from The School Locker (near Spotlight).

If you wish to use your Education Fund money, the last day to purchase prior to the end of this term is **Friday 9th December 2022**. The School Locker will start taking orders using the Education Fund money from 27th January 2023.

Class 1-2S

We have been working on procedure writing, playing hockey and fractions bingo.

GERRIC for Gifted Students Program

Helping bright young minds thrive

January 2023
Online & on-campus

We are excited to announce that our GERRIC Student Programs will return in January 2023! Our Scientia programs will be run both online and on-campus to provide students with the choice of what works best for them. This is a school holiday program that expands the minds of bright, inquisitive individuals looking for an intellectual challenge that is more demanding and more fun than they may sometimes experience at school.

All courses are 3-day workshops. Registration will be available from 10 November 2022.

Junior Scientia: Years 3 - 6

The Junior Scientia program is designed for gifted and talented primary school students in Years 3-6. To participate in the program, students will select one three-day workshop from a range of options.

All workshops are developed and presented by experienced teachers who are qualified or experienced in gifted education. They possess the expertise and skills to encourage the interests and pique the curiosity of gifted children.

Scientia Challenge: Years 7 - 10

The Scientia Challenge program features a range of exciting workshops taught over three days designed for gifted and talented high school students in Years 7-10.

Developed and led by practising experts, the workshops follow a university-style investigative structure with intellectually-stimulating content. With the level of study aimed two years higher than the students' grade level, these dynamic workshops offer gifted students a rigorous and challenging program.

9-13 January 2023

Online

UNSW Campus, Kensington

9:00am - 3:00pm
