

# The Wave

Term 3 – Week 7

## Assistant Principal's Message

### What a week

It's been a jam-packed week during Week 7 at Ballina Public School!

Students enjoyed the opportunity to purchase from the Father's Day stall on Monday, and we sincerely hope that families enjoy catching up with each other during Father's Day celebrations.

### SRC Fundraiser

The SRC ran a successful pizza day where they raised money for a chilled water bubbler to be installed at the school. Many families took advantage of this event, and it was lovely to see the children being social in the playground whilst they enjoyed their pizza.

### Cricket NSW

Cricket NSW sent representatives to speak to our students on Tuesday afternoon. Our students heard about how much practice you need to become really good at cricket, and how resilience is important when striving to become an elite athlete. The idea of teamwork was also discussed, and students were encouraged to form partnerships with others in order to be successful. Thank you Mrs Cameron for organising this visit.

### One Vision Production

The link to our One Vision Production video is on our school facebook page.

### PBL Activities

PBL activities are proving to be very popular with students and it is lovely to see students striving to ensure they get to participate each Friday. We are hoping that the weather stays kind so we can complete all the activities as promised for students.

I have enjoyed visiting classrooms this week and I'm particularly impressed with the students in MC3 who were exploring how waterproof materials are during their Science lesson. The high-level conversation was amazing, and I was blown away with how well the students could explain their predictions and their actual results! Keep up the fantastic work!

Kind Regards,  
Kim Wheatland

## End of Year - Monster Raffle

# Ballina Public School Monster Raffle

Ticket booklets for our end of year Monster Raffle will be sent home with students. Once you have sold all your tickets, please return the money and booklet to the office. If you would like another lot of tickets to sell, please provide your child with a written note to give to the office stating you require another booklet.

Thank you,  
Ballina Public School SRC

## Class MC-3

The students conducted a Scrunch Test by observing how materials formed after they were scrunched into a ball. Would they go back to their original shape or not? The students generated a lot of discussion about their predictions and had a lot of fun along the way too.

## Class MC-1

Starting in Week 8, MC1 will be opening a student run café during Tuesday lunchtimes. They will be serving food for students to purchase. Please see the menu for the available selection. The food will be available from outside the MC1 classroom, no pre-ordering required.

Money earned from the café will be used to purchase student resources for the support unit. The students from MC-1 greatly appreciate your support.
